+60 13629980

**Balvinder Kaur**

[balvinder.kaur@bd.com](mailto:balvinder.kaur@bd.com)

+60 164411184

## Subtopics:

- HPV & Extended genotyping in screening & screening management
- Non Gynaecological cytology: Exfoliative & FNAs
- Gynaecological Cytology

## Presenter:

**Dr Richard Massey, MB  
ChB, FRCPA**

Cyto&HistoPathologist,

Director

Pathlab Bay of Plenty, New  
Zealand.

Dr Richard Massey is a qualified pathologist with more than 20 years of experience in Cytopathology. He has been a Director of Pathology Associates for over 12 years. He has been a Chairman of Laboratory Services in Rotorua since 2013.

In his role as a pathologist at the PathLab, Dr Massey, is involved in various studies on HPV genotyping and patient management, particularly when cervical cancer screening is changing its paradigms towards HPV testing.

Dr Massey also holds Gynaecologic Oncology multidisciplinary meetings, as a visiting consultant pathologist at Waikato Hospital Laboratory. He has been a member of the National Cervical Screening Programme (NCSP), New Zealand for over 5 years contributing towards Monitoring and Technical Resource Group.

Prior to joining PathLab, Dr Massey has been a consultant pathologist and charge pathologist at MedLab South and North Shore Hospital, New Zealand. He has been active committee member for both, NCSP and MoH, New Zealand advising not only on Bethesda 2001 working group and Quality Assurance Programmes but also on HPV and Roundtable Laboratory Services.

# CYTOPATHOLOGY UPDATE: Liquid-Based Cytology and HPV Genotyping & Screening Management

29<sup>th</sup> – 30<sup>th</sup> August 2018

Advanced Surgical Skills Centre (ASSC), UKM Medical Centre

## Day 1 Agenda: 29th August (Wednesday)

08:30 – 09:00	Registration
09:00 – 10:30	Advantages of Gynae Liquid Based Cytology
10:30 - 10.45	Break
10:45 – 12:00	Microscopic Presentation (Gynae)
12.00 - 2.00	6 <sup>th</sup> MSOC AGM & Lunch
2:00 – 3:30	HPV trends, publications, modelling
3:30 -3:45	Break
3:45- 5:00	Primary HPV screening - ANZ experience
5:00 – 5:30	Q & A
5:30	Close

## Day 2 Agenda: 30th August (Thursday)

08:30 – 09:00	Registration
09:00 – 10:30	Non-Gynae: Fluid Cytology
10:30 - 10.45	Break
10:45 – 12:00	Microscopic presentation (Non Gynae: Fluid Cytology)
12.00 - 1.00	Lunch
1:00 – 3:00	Non-Gyn FNA Cytology & Microscopic presentation (FNA Cytology)
3:00	Close
